Just to be clear - you do need to check out just as you normally would even though it is earlier than anticipated. We will give the hotel advance notice that you will be leaving early.

Good morning - I want to confirm that I don't need to notify the hotel that I'm leaving earlier than the end of my reservation, since you're managing the block of rooms.

Thanks.

I contacted David Gray re: the wind down of the City of Houston's EOC, where I'm embedded, at the end of the day Sunday, and he has directed me to demob following that.

Per Doretha's email below, I'm letting you know that my assignment here will be coming to an end prior to the end of my hotel reservation.

I'll be wrapping up my work here at the end of the day on September 10, and demobing and returning to Dallas on September 11.

Thanks!

Darrin
